I have always been satisfied with the care at Szmanda, going here for years. The front desk staff are always kind. Jamie, the dental hygienist I have is always exceptional and kind. I am grateful to get care during this interesting COVID-19 time. I had an initial visit with a new dental provider, who seemed kind and knowledgeable in her practice. I would recommend to her one thing which I have found as both a patient and provider a simple gesture, but important and goes miles in building rapport. Introduce yourself, by name. Call me by my name. Even in busy times, this is possible.

When you go for a 9am teeth cleaning and are still sitting in the waiting room 30minutes after your appointment, there's something wrong. There was another lady also waiting the same amount of time for her cleaning, and we both were chatting that if you want us to wait 30minutes then schedule us 30mintues later. What happens to the folks that have a 3-4PM appt? Do they wait an hour? Especially during all of this Covid business - some of us can't handle wearing a mask that long! The service has really gone down at the Wittenberg location, and the new lady dentist is very arrogant.

I was annoyed that I wasn't asked about any of the services or procedures that I was given. I was told what was going to happen, never was asked. The water cleaning seemed to save a lot of time but was very messy and I was glad I hadn't worn anything nice. The water kept dripping down my chin and down to my clothes. Perhaps a better "bib" could be provided or some sort of towel. The hygienist was very nice. I felt bad because I was having a bad day and didn't want to talk much. She didn't seem to get the hint that I was okay not making small talk and kept trying to make the effort.

Review for SZMANDA DENTAL CENTER

I had a very pleasant experience with you all at Szmanda Dental. I called and you were able to schedule me the next day which worked out great, was in a lot of pain. Then you scheduled my root canal for the week later while my infection in my tooth settled down. Can't remember my dentist right at this moment but Dr. F (we will call him) was very nice and explained everything that was going to be done and I appreciated that. That way I knew what to expect and no surprises. I will be moving my 3 girls and myself to your business as I won't get that great service where I am at now. Thanks again. I did have a lil discomfort as the doctor explained I would but was all tolerable and not too bad. My brother and his family are possibly thinking of moving over to your business also. :)

Review for SZMANDA DENTAL CENTER

This was my first visit to Szmanda, Wittenberg. I had a cleaning and my 3 1/2 year old daughter had her first appointment. I was a bit nervous about how it would all go! Our Hygienist, Becca was great with my daughter! She gave her a ride in the chair and explained everything she was going to do in

terms my daughter could understand. Then when it was my turn, Kristi, the receptionist got my daughter toys and coloring books to keep her busy. It was a great experience - Thanks Szmanda, Wittenberg!
